

Appendix 21

Kayak Usage

We are delighted to be able to offer you the use of the MBCC's kayaks. Our modern kayaks are in good condition, with a range of different sized lifejackets.

Before using the kayaks please make sure you have understood the following.

MBCC does not train or take responsibility for your safety practices in regards to the usage of kayaks.

This is the responsibility of the user group

We will only let out the kayaks when...

There is 3 adults who are competent at using, teaching and supporting others in kayaks, and will take responsibility for the group they take out.

We suggest...

You have planned out and thought through this activity carefully.

You have enough adults to support the leader, who also feel capable and confident in a kayak.

You have 2 supervisors in kayaks and 1 Supervisor on shore with a cell phone.(in case of Emergency)

You have worked with your group to build the experience and confidence needed.

You paddle around the Marina, as this is a much safer area. Please be aware of oysters on the walls.
We recommend wearing water shoes.

You stay within 100m from the shore.

You have a support boat able to support if needed.

You have checked the tide and weather charts.

Users are suitably dressed for the time they will be away.

You are careful with all equipment as losing something may incur a replacement fee.

ANY DAMAGES MADE TO OTHER PERSONS PROPERTY IN THE MARINA WILL BE PAID FOR BY THE GROUP USING THE KAYAKS AT THE TIME OF DAMAGE.
